I'm a full time freelance traveling model based in Orlando, FL.

My hobbies are music, dancing and acting and I have performed in multiple theater productions. My free time is spent enjoying life with my daughter. I enjoy anything that allows me to be creative and look forward to working on projects where I can learn and grow as an artist.

*I've been modeling for 9 months now and I absolutely love it!
I'm also a nationally qualified fitness competitor
as well as a certified personal trainer and nutrition consultant.*

My name is Veronika Fox. I'm a 24 year old Russian doll from the Cleveland, Ohio area. I've been modeling for almost 2 years now and I absolutely love it. My life and my self confidence have changed tremendously, and in a more positive aspect of course.

I have 37 tattoos and I aspire to be a Suicide Girl one day. Every day is another step towards that!

Thank you for the love!!!

My journey with modeling began relatively early -- I was a child model from the ages 7 to 12. During my teenage years, I stepped away to focus on my education. Now, as I near the end of my college experience, I am happy to say that I am turning my passion into my career!

As an adult, I have been involved in a number of shoots, across a multitude of genres (from fashion and lingerie, all the way to conceptual art). Take a look through my portfolio or Instagram page to observe the work I have done, and the various genres of modeling I work in.
